Bruce,

The balances on the attachment are as of last night are attached. The group is at 137% on New. There was roughly \$400k pending on New to be applied today so that works it down to approximately 133%. Nissan is paying off \$147k today (that gets it to 132%), Mitsu had all used cars and I don't know the breakdown for VW. Looks like the goal is \$12,750,000.
